

Inappropriate Use of Artificial Intelligence by Payers

HOD P07-24-11-10 [Position]

The American Physical Therapy Association opposes the inappropriate use of artificial intelligence by payers to deny or restrict access to, or reduce payment for, physical therapist services or other medically necessary services.

Explanation of Reference Numbers [use for House policy]:

HOD P00-00-00-00 stands for House of Delegates/month/year/page/vote in the House of Delegates minutes; the "P" indicates that it is a position (see below). For example, HOD P06-22-05-04 means that this position can be found in the June 2022 House of Delegates meeting minutes on Page 5 and that it was Vote 4.
