

# Zero Preventable Patient Harm

## HOD P06-20-38-30 [Position]

The American Physical Therapy Association supports efforts by physical therapists and physical therapist assistants to transform the delivery of health services and achieve the goal of zero preventable patient harm by demonstrating transformational leadership; collaborating with interprofessional teams, the patient, family, and care partners; implementing robust performance improvement, and promoting evidence-based practices that create a culture of safety.<sup>1</sup>
